Oceanis 51.1

DESCRIPTION

With taut lines, a new stepped hull and a stylish deck plan, the Oceanis 51.1 is the first of a new generation of sailing boats. It is characterized by the aesthetics of its flared shape and its new hull that creates additional interior space and allows for an exciting new layout on a boat of this size. The spacious cockpit, many relaxation and sun bathing areas, as well as an aft swim platform, promise true comfort. With emphasis on taut cruiser lines, she is a joy to move around and reassuringly safe.
