

## Ferretti 53 FLYBRIDGE

The Ferretti 53 offers luxury, comfort and speed together with safety at sea. She has a sizable interior with two seating areas and a direct exit to the fly-bridge sun-bed area. Glass walls between the interior and cockpit can be removed to maximise interaction between the interior and exterior.

All areas are equipped with a sound system for entertainment. Her spacious and luxurious cockpit can also be used for gatherings, activities or relaxation. High sidewalk edges will guide you safely from the cockpit to the front sun-bed area. The Ferretti 53 has three spacious cabins, with two ensuite bathrooms, that can accommodate up to six guests with ease.
