## Beneteau Oceanis 48

### DESCRIPTION

With her attractive sleek silhouette, the Oceanis 48 clearly stands out from the crowd.

She has a very unique exterior design that is characterized by a major innovation - A mainsail arch that secures the mainsheet tackle further aft on the boom- This gives her an incomparable stability and makes sailing comfortable at all speeds.

The design of her interior and exterior deck spaces is very elegant, yet cozy with sheer endless provisions for relaxing, sun-bathing and socializing.
